SuperStapler TA551B/16-11

drives 1"-2" 16ga. medium crown 7/16" staples

FEATURES

- Unique tangle free swivel fitting**
 No more fighting with heavy hoses, no matter what angle the nailer is being held.
- Rapid fire trigger valve**
 Fastest medium crown stapler in the market. It drives 15 staples per second.
- Trigger lock for safety**
- Adjustable depth control**
- Heavy duty rafter hook**
- Maintenance free end cap filter (US Patent 5637125)**
 It prevents foreign substances from entering the tool. Internal parts last longer and the inside of the tool is kept clean. The filter has a selfcleaning feature; foreign substances are ejected automatically from the tool when the air hose is disconnected.
- Newly designed 3 tooth driver blade**
 The center tooth of the driver blade push the center part of the crown of each staple and the side tooth holds it to prevent jamming when it drives. The groove of the driver blade holds each staple firmly and prevents the stapler from slipping.
- Quick and easy jam clearing by front latch**

APPLICATIONS

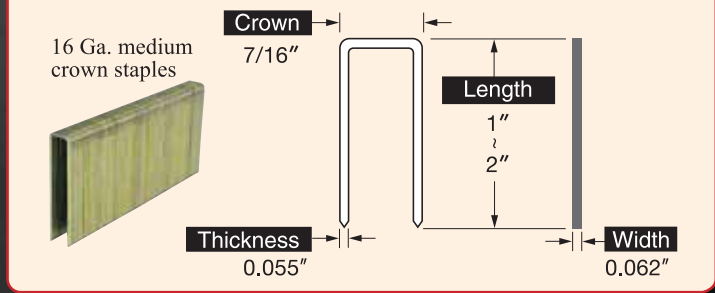

- Sheathing
- Pallets
- Subflooring
- Vinyl siding
- Roof decking
- Furniture frames
- Crate & Box assembly
