# ANY SHAPE & SIZE CUSTOM LABELS CREATE WHENEVER YOU WANT THEM

## LABEL MARKING SOLUTION

- Great for printing color coded labels
- Comes with Bepop PC EX software and templates
- Labels for wires, cables, wraps and flags, electrical boxes and panels, equipment racks, circuit breakers and more!
- Lower cost consumables than the leading competitors
- Custom shape and size capability using integrated plotter/cutter
- Import spread sheets using CSV database
- Easy and quick consumable set-up
- Materials designed for wire and cable wraps
